

# National Conference on Innovative Contemporary Approach in Science and Language Research

## ICASLR-2024

11 & 12 - April 2024

MSAJCE, Chennai, Tamilnadu, India

### About The Conference

The recent scientific milestones are pillars of modern aspects of science and language research. This could be possible by the fruitful exchange of ideas and effective collaboration among scientists, and researchers from different dimensions of science and industry. In this connection, S&H department of Mohammed Sathak AJ college of engineering is bringing up a unique platform for students, researchers and academia to experience, the lectures from experienced scientists across the nation. The purpose of the conference is to enable an opportunity for the participants to gain new dimension of their research and collaborate in interdisciplinary subject experts.

### About the Institute

The Mohamed Sathak A.J. College of Engineering (MSAJCE), was established on 5th July 2001, under the aegis of Mohammed Sathak trust is approved by AICTE New Delhi, affiliated to Anna University Chennai and government of Tamil Nadu and accredited by NAAC with A grade. MSAJCE strives to continuously upgrade its facilities to provide quality technical education, to meet the industrial and societal needs by providing skill-based training with the state of art facilities. The college campus sprawling over 70 acres of greenery located inside the SIPCOT IT Park, Siruseri is surrounded by multinational IT Companies such as TCS, CTS, Intellect, Aspire, Steria, Polarise, FSS, etc. MSAJCE has good infrastructure facilities such as spacious classrooms, drawing halls, laboratories, seminar halls, computer facilities with internet and wifi connectivity, library, workshops, auditorium and playground. The college is well connected by Road, Rail and Air transport from various parts of the country. A team of well qualified and experienced faculty supports teaching and learning process. The college provides equal importance for academic, cocurricular and extracurricular activities. MSAJCE Provides all kinds of training for the professional and overall transformation of the student.

### Call for Papers

Prospective authors are encouraged to submit high quality original, previously unpublished original research papers for presentation at the conference. Articles submitted for the conference should meet these criteria and be in the format strictly as per the paper template of IEEE. The paper should be drafted in English with maximum of twelve pages including figures, tables and reference. The paper will be peer reviewed by domain expert of the respective tracks by the technical program committee. Authors should submit the paper through [ncicslr2024@msajce-edu.in](mailto:ncicslr2024@msajce-edu.in). Kindly do not submit the paper multiple times ; it may lead to cancellation of your paper. ### Conference Tracks

#### Physics

- Crystal Growth Techniques
- Nanomaterials
- Biomaterials
- Magnetic Materials
- Ceramic Technology
- Laser Spectroscopy
- Computational Materials Science
- Photovoltaic Materials
- Lithium-ion Batteries
- Sensors
- Solar Cell Devices
- Fuel Cells
- Supercapacitor Electrode Materials
- Quantum Dot
- Thermoelectric Materials

#### English

- ICT tools in classroom
- Digital Humanities
- Bilingual Teaching
- ICT tools in English language teaching
- Innovative methods in enhancing LSRW skills

- Contemporary English language learning, Language and Technology
- English Language Teaching and Testing

#### Chemistry

- Green Chemistry
- Phytochemistry
- Photochemistry
- Polymer Chemistry
- Computational Chemistry
- Medicinal Chemistry
- Electrochemistry
- Analytical Chemistry
- Synthetic Organic Chemistry
- Coordination Chemistry

#### Mathematics

- Analysis
- Applied Mathematics
- Differential Equations
- Fuzzy and Graph Theory
- Mathematical Modelling & Automata
